## People Are More Important Than Dollars

Our estate plans should be more about the people we love than the wealth we have accumulated. Think about the **People** you love and care for, the **Property** you have accumulated, and the **Passion** of your faith.

We have prepared an eBook to help you do that, **Your Estate Planning Guide**. It includes an inventory form to list your people, property, and plans, along with a step-by-step estate process to help you express your passions in planning.

Request or download **Your Estate Planning Guide** today at [ShowMeHelpingKids.com](http://ShowMeHelpingKids.com). There is no cost or obligation.
