

2026 Summer Matching Challenge

DOUBLE YOUR IMPACT DOUBLE YOUR GOOD!

Emily, now a Registered Nurse, and I beneath one of the trees we planted and nurtured 20 years ago.

My gratitude overflows for you! Thank you for investing in young lives here at Show-Me – as well as those who are yet to find their home here.

I planted 10 new trees yesterday. Over the years, I've tried to establish a nice landscape, transitioning this old pasture land to an aesthetically pleasing place to enjoy.

Twenty years ago, I established 26 new trees here at our main campus; a few have met their demise, but most still stand. My daughter, Emily, tagged along as I dug, planted, staked, and watered them — and helped care for them through the long, hot summer. She couldn't wait to climb them and asked about hanging a swing in one near our home.

I had to explain the difference between the plants we put in our garden, the fruit of which we will enjoy in a few months, and trees that take many years to grow. In fact, she would no longer be a little girl by the time they were large enough to climb, but some other little girl would enjoy that. She would not be around to savor the shade they would one day provide, but another family sure will appreciate it. Most of the time, we plant trees we may never sit under.

It puzzled her to think we would put so much effort into something we might not directly benefit from. *We may never experience the blessings from the things we invest in today. Yet, we invest anyway, trusting that the Lord's purposes extend far beyond our plans. Our contributions to the world today become the foundation for the next generation. And that's the essence of Kingdom work!*

Your support produces an ongoing harvest for the Kingdom! Praise God for your commitment to these great kids and this great ministry! Your investments make an impact in these young lives today and for generations to come. **Your gift this month will be matched — dollar for dollar — up to a total of \$30,000.**
